install #30 dust cover insert into 1/2" hole and press flush with top of insert plate

Router Raizer Access Point

3/4" reference circle for drilling subbase.
1/2" reference circle for drilling table top or insert plate.

Use this 6" scale to check accuracy when copied

BOSCH RA 1166 BASE

Note: Cross lines for locating and drilling holes are accurate. The illustration of subbase may vary slightly in size and design, but is accurate enough for cutting the rubber gasket if required.
